WINESTILLERY

DRY GIN

Style: London Dry Gin

Distillation: 500L Pot Still, Carter Head and Bennet technique at the same time.

Non Chill-Filtered for a superior taste.

42% Vol. | 700 ml

Body: Satin smooth with a bright texture.

Nose: Very intense and complex, with winey fruity notes, sweet delicate menthol, juniper, coriander with dark woods undertones, lemon and orange peel. It's a smelling promenade through the hills of Tuscany.

Palate: Rich and velvety, oily and very pure at the same time. Bright fruit, medicinal herbs and citric freshness combined with a balsamic touch. A melody of taste.
